Job Description

We are seeking a professional and proactive Tele-Communicator to support our e-waste recycling initiatives. Your primary responsibility will be reaching out to companies to gather vital information about their e-waste recycling departments, identifying key contact persons, and organizing this data to enhance our processes.

Key Responsibilities

- Contact companies via phone and email to gather information on e-waste recycling practices.
- Identify and record details about key contact persons in e-waste or sustainability departments.
- Organize and maintain a structured database of collected information for internal use.
- Maintain detailed call logs and provide periodic updates to the management team.
- Collaborate with internal teams to refine outreach and communication strategies.

What We Offer

- Competitive Salary: ₹25,000 per month.
- Work Tools: New phone and SIM card for seamless communication.
- Benefits Package: Additional pay benefits and recognition for your contributions.
- Opportunities for growth and skill development in the e-waste and sustainability industry.

Requirements

- Strong communication and interpersonal skills.
- Organizational skills to manage and structure data efficiently.
- Experience in telecommunication or similar roles preferred.
- Basic knowledge of e-waste management is a plus (training provided).
- Proficiency in English is a must.

How to Apply

If you are enthusiastic about sustainability and excel in telecommunication, we'd love to hear from you. Send your **resume** to **md@siliconplanet.in**
